

Please do not allow the LPFM stations to take priority over the current FM translator service. I enjoy listening to K-Love in Raleigh on 106.7. This station is the only way some people will ever know about God and how important it is to have Him in their lives. Without K-Love, my son wouldn't hum and sing Christian songs while browsing in the local library. The LPFM stations may not play Christian music, which is very hard to find on FM dial as it is. Please do not take this station away from us and the many people dependent on it for their Christian music, news and commentary. This station is meeting as need in our community that non-Christian stations cannot meet. We need stations our children can listen to without fear of what they will hear and learn. And I thoroughly enjoy listening with no commercial interruptions. I strongly support this station in it's efforts and financially. Thank you for allowing me to voice my opinion and feel free to contact me anytime.
